

Materials Processing Lab.

Research Field

- Inorganic Catalysts for Environment Remediation and Hydrogen Clean Energy
- Green Chemical Conversion
- Li Solid State Electrolyte and Li Battery
- Organic/Inorganic Hybrids
- Semiconductor Films of III-Nitride, IGZO、Sulfides

Dong-Hau Kuo

Distinguished Professor
Dept. of Materials Sci. & Eng.
Tel: +886-2-2730-3291
dhkuo@mail.ntust.edu.tw

Education:

- Dr. of Materials Sci. & Eng.
University of Illinois at Urbana-Champaign
