

Energy Materials Laboratory

Chen-Hao Wang Ph.D.

Professor

Department of Materials Science and Engineering

Tel: +886-2-2730-3715

chwang@mail.ntust.edu.tw

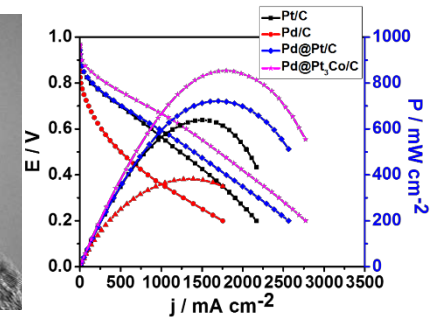

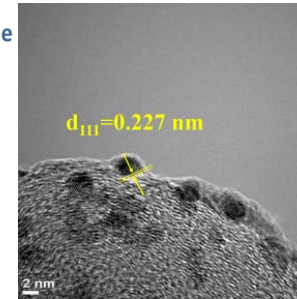

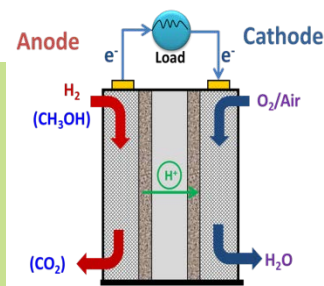

Education:

- Ph.D. in MSE, National Tsing Hua University
- Ms. & Bs. In Ch.E., National Taiwan University

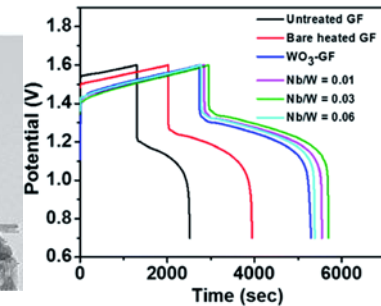

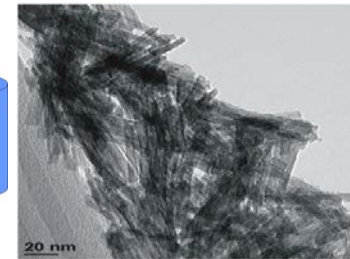

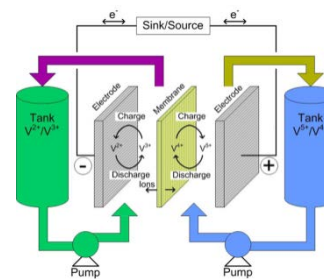

Research Interests:

- Electrochemical conversion and storage
 - Fuel cell
 - Redox flow battery
 - Water electrolysis
 - Electroless copper deposition
- Nanotechnology
 - Carbon nanomaterials
 - 1D and 2D nanomaterials
 - Nanocomposites

1. Metal catalysis for fuel cells

2. Carbon materials for VRFB

3. Nanotechnology for energy materials
