

Control System and Machine Vision

- Control system design
- Automation
- Vibration analysis and control
- Image processing

Chang-Chiun Huang

Professor

Dept. of Materials Science and Eng.

Tel: +886-2-27333141-6529

huangcc@mail.ntust.edu.tw

Education:

- Ph. D., Arizona State University, USA

Lectures:

- Practice of Automatic Control Systems
- Numerical Analysis and Application
- Engineering Mathematics (1)
- Mechanics of Materials
- Control Systems Engineering (1)
- System Modeling and Control
